- I. The MIs shall ensure their best efforts and commitments to promote bilateral and multilateral collaborations, joint activities, as well as human linkages among them through such activities as:
 - Annual meeting among the management board of the MIs
 - Educational human resources development
 - Joint research activities and publications
 - National/International conferences or workshops or symposiums
 - National/International academic societies
 - Technical assistance
 - Other collaborations or joint activities agreed afterward
- II. The MIs agree that the above activities shall be implemented on a cost-sharing basis for mutual benefits and sustainability, with possible funding from

external sources. The implementation plan of each activity shall be agreed upon by representatives of the MIs and any related parties at the annual meeting. The progress of the activities shall be reported to the annual meeting for review through a secretariat.

- III. This Memorandum of Understanding is effective as of the date of its signing and shall be in force for a period of five (5) years. It shall be automatically extended for an additional period of five (5) years at each expiration date, with the understanding that any MIs may withdraw from this Memorandum of Understanding by giving at least six (6) months notice in writing to other MIs.
- IV. This Memorandum of Understanding can be amended or modified by mutual consents of all MIs.
- V. This Memorandum of Understanding is made in English with each party retaining one identical copy.

In witness thereof, the undersigned have given their signatures on behalf of their respective member institutions on the date shown.
