Memorandum of Understanding
between
University of Battambang, Kingdom of Cambodia
and
Korea Legislation Research Institute, Republic of Korea

Both the University of Battambang(UBB) and Korea Legislation Research Institute (KLRI) agree to ties of partnership and cooperation for the purpose of promoting mutual understanding, collaborative research activities, and academic, cultural, and personnel exchange.

I . Academic and Personnel Exchange

UBB and KLRI agree to consult on the possibilities of exchange of scholars, research, and publications. The specifics of these exchanges will be discussed, planned, and implemented by both sides in accordance with the current legal framework of the two respective parties.

1. In the event of an exchange of lecturers, research personnel, and scholars, specific arrangements for payment of related expenses, including round-trip travel, board, lodging, and health insurance will be agreed upon by the two institutions in advance.
2. In the event of an exchange of lecturers, research personnel, and scholars, the host institute will provide research privileges to resident research fellows, faculty members, and academic staffs that are equivalent to their counterparts at the host institution.
3. In the event of an exchange of lecturers, research personnel and scholars, they are expected to study and work according to their own plans for professional development and academic research. Specific arrangements for special facilities will be agreed upon by the partner institution and all programs are subject to departmental approval at the host institution.

II. Collaborative Research Activities

Both UBB and KLRI agree to consult on the possibilities for collaboration on joint research activities, joint conferences, and joint participation in seminars and academic meetings.

III. Term of Agreement

1. This agreement becomes effective when signed by the representatives of the two institutions. The agreement shall remain in effect for a period of five years, and shall automatically renew at the end of the five-year period, unless either institute gives a one-year notice of intent to discontinue.

2. Any article in this agreement may be amended or revised by the two institutions after consultation and mutual agreement. Any issue not mentioned in this agreement may be resolved through mutual agreement.

3. This agreement will be construed as statements of intent to foster mutually beneficial academic collaboration. Subsequent to this agreement, a more specific implementation plan will be drafted to outline all activities that are to occur under this collaborative effort.
