

Projects

NUBB has been cooperating with many other universities in local and international im-
plementing around 25 projects to improve the quality of higher education and develop ed-
ucational programs. The majority of the project has been granted by Erasmus+, JICA, GIZ,
USAID, AUF as well as TICA while the biggest project was operated by World Bank, Higher
Education Improvement Program (HEIP). Those aim mainly on how to build staff capacity,
train more profession in teaching, explore new experiments in both science and arts sectors,
and exchange culture in teaching and working in higher education sector. Within the project
proposals and the processes of implementation, NUBB has granted funds and helps with many
useful facilities for fulfillment the project outcome and long-term uses in the university.
