

Memorandum of Understanding

between

University of Battambang

and

Ghent University

In accordance with a mutual desire to promote international academic, cultural and scientific exchange, Ghent University (Belgium) and University of Battambang enter into this Memorandum of Understanding.

The two institutions deem it mutually beneficial to strengthen the bonds between the two academic communities and to contribute to a greater understanding and communication between two cultures.

The areas of cooperation include any programme offered with mutual consent at either party and having potential to contribute to the objectives of this Memorandum. Moreover, both parties will encourage direct contact and cooperation between their faculty members, departments, institutes and centres in appropriate academic and scientific programmes.

The themes of joint activities, the conditions for utilizing the results of research, the arrangements of specific visits, exchanges and other forms of activities will be discussed and developed mutually by both partners.

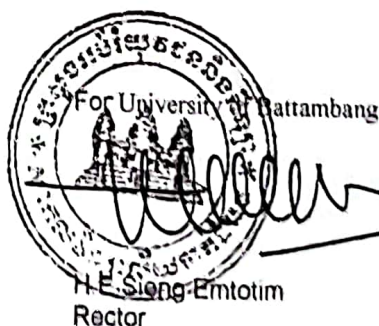

This Memorandum of Understanding shall be effective after approval of the terms of the agreement by the appropriate authorities of the universities. It will remain in effect for a period of three years. Thereafter, it will be reviewed and can be amended or renewed as agreed by both parties.
