

## Memorandum of Understanding

between

**Institut National Polytechnique de Toulouse – Toulouse INP, France**

and

**National University of Battambang – NUBB, Cambodia**

### The Parties

The **Institut National Polytechnique de Toulouse**, hereinafter referred as Toulouse INP and the **National University of Battambang**, hereinafter referred as NUBB, recognizing the benefits to their respective organisation from the establishment of international links, conclude this Memorandum of Understanding (hereinafter: "MoU").

1. The purpose of this MoU is to develop academic and educational co-operation and to promote mutual understanding between the two Parties.
2. Each Party agrees to develop the following collaborative activities in the academic areas of mutual interest, on a basis of equality and reciprocity.
  - 2.1. Exchange of academic and administrative staff
  - 2.2. Exchange of students
  - 2.3. Joint supervision of doctoral studies
  - 2.4. Conducting collaborative research projects
  - 2.5. Conducting lectures and organising symposia
  - 2.6. Exchange of academic information and materials
  - 2.7. Promoting academic collaboration in fields of mutual interest
3. The development and implementation of specific activities based on this MoU will be separately negotiated and agreed between colleges, schools or institutes which carry out the specific projects and will be subject to a separate written agreement. Each Party agrees to carry out these activities in accordance with the laws and regulations of the respective countries after full consultation and approval.
4. It is understood that the implementation of any of the types of co-operation stated in Clause 2 shall depend upon the availability of resources and financial support of the Parties concerned.
5. Both Parties agree that prior written approval is required before using the other Party's name, logo, or other Intellectual Property rights in any advertising or associated publicity.
6. Should the collaborative research activities under this MoU result in any potential for intellectual property, each Party shall seek an equitable and fair agreement as to ownership and other property interests that may arise.

7. This MoU may only be amended or modified by a written agreement signed by the representatives of each Party.
8. This MoU is valid for a period of 5 (five) years from the date of signing by the authorised signatories of each Party. Each Party shall review the status of the MoU at least three months before the end of the five-year period to determine whether it wishes the MoU to continue and, if so, any modifications that might be necessary. The period of validity of this MoU may only be extended by the mutual written consent of both Parties.
9. This MoU may, at any time during its period of validity, be terminated by one of the Parties upon prior notice to the other in writing not later than six months before the termination date.
10. This MoU shall be governed and construed in accordance with the laws of France.
