

LETTER OF INTENT FOR ACADEMIC COOPERATION
BETWEEN
UNIVERSITY OF BATTAMBANG (UBB) - CAMBODIA
AND
POLYTECH ORLEANS - THE ENGINEERING SCHOOL
OF THE UNIVERSITY OF ORLÉANS - (FRANCE)

The University of BATTAMBANG (UBB) - CAMBODIA,
represented by **Professor Ratha CHEA**, acting Dean of Post Graduate School
and Director of International Relations

and

The Engineering School of the University of ORLÉANS (Polytech Orléans),
represented by its Director for International Relations, **Professor Philippe DEVINANT**

agree to join up forces in order to promote international exchanges, to increase their scientific cooperation and to favor the development of research and higher education, whether it concerns studies or training, in fields of common interest.

OBJECTIVES OF THE COOPERATION

Both parties declare their intention to collaborate in the following fields:

- ◊ exchange students for academic and training periods from France to Cambodia and from Cambodia to France
- ◊ exchange university teachers, researchers and information concerning engineering education and research

This collaboration may be extended to other fields later on.

The cooperation will focus on engineering, and for Polytech Orléans, the relevant areas are:

- Physical engineering and embedded systems
- Technologies for energy, aerospace and motorization
- Innovation in design and materials
- Civil engineering and geo-environment
- Industrial engineering applied to cosmetology, pharmacy and food processing

A basic cooperation agreement clarifying the terms and conditions of this cooperation will be discussed and signed between both partners.

STUDENT EXCHANGES

Both parties express their wish to set up, on a reciprocal basis, an exchange program open to students from both institutions.

Each partner will endeavour to send undergraduate or graduate students to the partner institution, in order to take part in a study program or an internship, for a duration extending from a few months to a semester or a complete academic year.

A specific codicil to the cooperation agreement clarifying the terms, conditions and procedures for student exchanges will be discussed and signed between the both Universities

TEACHER AND RESEARCHER EXCHANGES

Both parties express their desire to periodically exchange teachers and researchers in relevant subjects with a view to establishing co-operation in the field of teaching, research and/or administration with a view to exchanging good practices.

This type of exchange will be processed on a case-by-case basis between both partners.

FUNDING

Depending on their means and according to the current laws in each Country, both parties will endeavour to obtain the necessary funding for the setting up of the corresponding projects.

The financing arrangements will be notified to the administrative authorities for information and/or approval according to the current regulations in each Country.

This framework letter is drawn up in two (2) original copies in English.
